Bonjour Dr. Sicotte,

Thank you for the invitation to Montreal and your thoughtful E-mail. I have very much enjoyed my visits to Montreal, getting to know you, your other doctors, and many of your students. I have had the privilege of sponsoring the thesis for several of them.

For the past several years, starting with my last attempt to go to Montreal, when my luggage was destroyed, I have had only bad experiences with the airlines. Therefore I am only going to places where I can drive. There has been one exception, this summer when I was on the Masters Class in Chicago, I flew but another bad experience. But I am also not taking anymore teaching assignments. I am writing a book similar to the AAO Yearbook, "A Tribute to and Selected Writings of Harold Magoun Sr./, DO, FAAO. I figure it will take me about two years to complete, but feel it needs to be done.

I wish you every success with your College, and look forward to seeing you sometime in the future.

Best Regards,
Harold Magoun Jr.

I'm having trouble with my E-mail
and this wouldn't send. My son
can fix it, but hasn't had time yet.
